Accomplishments

Faculty

Jim DeJong, Architectural Studies, received the Lee Henson Access Mizzou Award for 2015, honoring him for a lifetime achievement award. The award was established in 2014 by the MU Chancellor’s Committee for Persons with Disabilities to honor Lee Henson by recognizing those who have made significant contributions to accessibility and the inclusion of people with disabilities at Mizzou and beyond. The awards ceremony was held on Monday, October 12, 2015. DeJong was nominated by Dr. Ruth S. Tofle, Chair of Architectural Studies.

Marjorie R. Sable, Director and Professor, School of Social Work, is the recipient of a 2015 Faculty/Alumni Award from the University of Missouri Alumni Association. Dr. Sable was honored on October 2, 2015 at an awards dinner on campus.

Victoria J. Vieira-Potter, Assistant Professor, Nutrition and Exercise Physiology, was elected Chair of the American Society for Nutrition (ASN) Research Interest Group, Energy and Macronutrient Metabolism and will hold this position for one year. She is currently working to bring the best scientific programming possible to the annual meeting, which will be held in San Diego, CA this April (FASEB 2016).

Victoria J. Vieira-Potter was invited to write a book chapter for Springer Publishing on the topic of “Estrogen, Adipose, and Inflammation” to be published in 2016 in a textbook titled Sex Hormones, Exercise and Women: Scientific and Clinical Aspects.
